Lube Stop partners with U-Haul

11:49 am, September 18, 2006

Lube Stop Inc., a Berea-based operator of automobile oil change retailers, has formed a partnership with U-Haul International Inc. to operate U-Haul dealerships at 14 Lube Stop locations in Northeast Ohio.

Each of the participating Lube Stops will have two to five U-Haul rental vehicles available, according to a statement from Lube Stop. Five of the locations already offer the service and the other nine will have it by the end of next week.

Customers can make reservations via U-Haul.com or LubeStop.com to rent vehicles.

Vehicles available for rent will include 9-foot cargo vans, 10-foot "Mini Movers" and 14-foot "Thrifty Movers," according to the statement. Customers renting at Lube Stop outlets will be required to use a credit card for deposits and payments, according to the statement.

Lube Stop currently has 37 locations throughout Northeast Ohio. In addition to the 14 Lube Stops with U-Haul rentals, Lube Stop officials said that they expect to have four more locations offering U-Haul rentals by the end of the year.
